### Coming and Going

You could say 'Coming and Going' is part of the DNA of a Daughter of Charity of St Vincent de Paul. In 1623, when St Louise had a premonition of the community, she would later found with St Vincent, she saw there would be much 'Coming and Going'. It was to be a necessary part of meeting the needs of those living in poverty. That was how we came to live in the Parish of the Transfiguration in 2005. When the Sister of Jesus and Mary moved from their house in Wrentham Avenue, we moved in, as a base for our ministry in different parts of London and beyond. It meant however, that we haven't been able to be involved in the Parish as much as we would have liked because we were often elsewhere. During the fourteen years that we have been here, ten sisters have 'Come and Gone' and now the last two of us will be going in the first week of November.

On behalf of all the sisters that have lived here, I would like to thank Fr Sean and all of you, for your kindness to us, your friendship, support, and above all, for all the inspiration you have given us in your dedicated living of your faith. It has been a gift to be part of this Parish. May God continue to bless you and be your strength and light. Please keep us in your prayers. Thank you.

### Do You Ever Notice The Flowers?

Do you ever notice the flowers, sitting beautifully in our Church?

We need people to volunteer and for that, we are on a search!

You don't need to have experience, just be committed and up for the job.

I fear that if we do not find help then we will lose our flowers and sob.

So please notice our lovely church flowers, and ask yourself if you can help with your time, we will train you and guide you along the way, we may even do it in rhyme.

Come forward today and sign up, it really is you that we need!

Speak to the office or Fr Sean when you can, it will be a great help indeed.
