EASTER SUNDAY OF THE RESURRECTION OF THE LORD 16th / 17th April 2022

Early Church Fathers: Christ destroyed death to bring us life, from a sermon by Leo the Great, 400-461 A.D.

"God's compassion for us is all the more wonderful because Christ died, not for the righteous or the holy but for the wicked and the sinful, and, though the divine nature could not be touched by the sting of death, he took to himself, through his birth as one of us, something he could offer on our behalf. The power of his death once confronted our death. In the words of Hosea the prophet: Death, I shall be your death; grave, I shall swallow you up. By dying he submitted to the laws of the underworld; by rising again he destroyed them. He did away with the everlasting character of death so as to make death a thing of time, not of eternity. As all die in Adam, so all will be brought to life in Christ."

Monsignor Roger, Fr Allan, Fr Ruwan and Fr Natalino wish you all a very happy and Holy Easter.
