CAN YOU HEAR ME?

Many parishioners have commented that they are not able to hear during Mass. This is because our sound system is over 15 years old and is in desperate need of an update! The Parish has obtained 4 quotes for an entire replacement and the best option will cost the parish in the region of £15k. We have recently installed a new card machine in the Porch of the church as requested by the Diocese. There is an option to make a donation to the Sound System Fund on there should you wish to contribute! Thank you.

MASS INTENTIONS

It might be a relative's birthday, wedding, baptism or you just want to thank them for their kindness. What better way to show your appreciation than to have a Mass offered for their intentions? We are also aware that unless we are living Saint's, all of us will need the prayers of our living relatives and especially the Mass offered for the repose of our souls when we die. Therefore, when someone dies, it is our duty to pray for them and to have Mass offered for them. We offer Mass at the time of their death, their anniversary, perhaps on their birthday or other notable dates in their lives. Having Mass offered is a way of showing our love both for the living and the dead. Please book these through the Parish Office.

SAFEGUARDING UPDATE

We have now appointed our new Safeguarding Representative, a huge thank you to Patrick Smith for undertaking this task.

He will be in contact with a number of volunteers shortly to complete or renew their DBS checks. Should you need a print out of the forms to complete, please do ask the celebrating Priest after Mass for a copy from the Sacristy, or speak to Chelsea in the Parish office during office hours to collect them.

I recently went to see 'Empire of Light', a film set in the 1980s. It made me very nostalgic for a time when there was no internet, no computers, no mobile 'phones. But there was also much wrong with society then, and film had much to say about the casual racism of the time. This Sunday, the Church asks us to think and pray about racial justice. Please read the questions below and maybe discuss them as a family or group of friends.

- What does it mean to walk together, pray together and work together so that all are included in the mission of the Church?
- How is this lived out in our parish, group or school? What further steps do we need to take?
- What are some of the barriers to walking together, praying together and working together? How can we overcome them?
- What are some good examples we can learn from elsewhere in the Church or society?
- During his visit to Canada Pope Francis said: "We want to walk together, to pray together and to work together, so that the sufferings of the past can lead to a future of justice, healing and reconciliation." How might this call be applied to questions of racial justice here in England and Wales?

In the gospel, Jesus asks us to be lights to the world: how can we shed the light of Christ on the gloom of racism in our own lives? You might want to follow this link: <https://www.cbcew.org.uk/racial-justice-Sunday>
