### Heart Offerings

At the last Finance Committee meeting, Dr Paul Thomas came along as a guest to put a proposal to the committee and at Paul's suggestion, the Finance Committee decided that we should incorporate Children more into the offertory. Although it is lovely for them to be given money to put into the offertory, and by all means this can continue, we also thought a token would be a nice way of enhancing their faith. You will have noticed a plate of felt hearts as you walked through the porch to enter Mass. Please take a leaflet and discuss this with your children and then encourage them to place the heart into the offertory when it is collected.

### The Pembridge Hospice

Please join us on Tuesday 6th February after the 10am Mass in the Newman room to listen to February's Tuesday Club speaker, Nick. Nick is coming from The Pembridge Hospice, also known as the Pembridge Palliative Care Centre to tell us of peoples experiences and stories surrounding their care. This years Lenten Arms will be the Pembridge Hospice so please come along and listen to all the fantastic work that they do!

### Holocaust Memorial Day - 27th January

The 27th January is the day for everyone to remember the six million Jews murdered in the Holocaust, and the millions of people killed in Nazi Persecution and in subsequent genocides in Cambodia, Rwanda, Bosnia, and Darfur. 27th January marks the liberation of Auschwitz-Birkenau, the largest Nazi death camp. On Holocaust Memorial Day we can honour the survivors of these regimes of hatred and challenge ourselves to use the lessons of their experience to inform our lives today. HMD is a time when we seek to learn the lessons of the past and to recognise that genocide does not just take place on its own, it's a steady process which can begin if discrimination, racism and hatred are not checked and prevented. We're fortunate here in the UK; we are not at risk of genocide. However, discrimination has not ended, nor has the use of the language of hatred or exclusion. There is still much to do to create a safer future and HMD is an opportunity to start this process.
