### What You've All Been Waiting For, For A Long Time - Shut Up Fr Sean

At last my throat and voice problem has been diagnosed and I have been fast tracked to have a little surgery in the next 2-3 weeks.

I have two growths in my throat which must be removed and then a biopsy.

During this period and most importantly after the operation, I have been told to shut up. And so I will.

Do keep me in your prayers as you are always in mine.

Fr Sean
